

MCQB2 2-12
Command Screening Checklist

1. **Purpose:** To ensure Marines selected to attend MCQB2 are fully qualified.
2. **Information:** In order to preclude Marines from being turned away upon arrival, it is necessary that parent commands ensure their Marines satisfy enrollment prerequisites set forth within this checklist. A failure to satisfy any of the prerequisites on the checklist disqualifies a Marine from attending the course.
3. **Action:** The student will complete the Command Screening Checklist and attach copies of all certificates. Students who fail to produce a Command Screening checklist with all appropriate signatures / printed names and attached certificates will not be permitted to begin training. The Command Screening Checklist will be maintained in the Marine's student academic record. The checklist will be destroyed upon completion of TAD.
4. **Waivers:** All waivers will be routed through the MSOR and must be received by the MSOS Operations officer no later than 30 days prior to the course convene date. **If a waiver is required, the Command Screening Checklist will be forwarded with the waiver request.**
