

MARSOF DYNAMIC ENTRY LVL 2 (MDEL2) 3-12 Command Screening Checklist

1. **Purpose:** To ensure Marines selected to attend MDE2 are fully qualified.
2. **Information:** In order to preclude Marines from being turned away upon arrival, it is necessary that parent commands ensure that their Marines satisfy enrollment prerequisites set forth within this checklist. A failure to satisfy any of the prerequisites on the checklist disqualifies a Marine from attending the course.
3. **Action:** The student will complete the Command Screening Checklist and attach copies of all certificates. Students who fail to produce a Command Screening Checklist with all appropriate signatures/printed names and attached certificates will not be permitted to begin training. **If no waivers are required the completed Command Screening Checklist will be hand-carried to the course and maintained in the Marine's student academic record.** The checklist will be destroyed upon completion of TAD.
4. **Waivers:** All waivers will be routed through the MSOR and must be received by the MSOS Operations Officer NLT 30 days prior to the course convene date. **If a waiver is required the Command Screening Checklist will be forwarded with the waiver request.**
