

**MARSOF Master Breacher
Course Command Screening Checklist**

1. **Purpose:** To ensure Marines selected to attend MARSOF Master Breacher (MMBC) are fully qualified.

2. **Information:** In order to preclude Marines from being turned away upon arrival, it is necessary that parent commands ensure that their Marines satisfy enrollment prerequisites set forth within this checklist. A failure to satisfy any of the prerequisites on the checklist disqualifies a Marine from attending the course.

3. **Action:** The student will complete the Command Screening Checklist and attach copies of all certificates. Students who fail to produce a Command Screening Checklist with all appropriate signatures/printed names and attached certificates will not be permitted to begin training. **The completed Command Screening Checklist will be maintained in the Marine's student academic record.** The checklist will be destroyed upon completion of TAD.

4. **Waivers:** All waivers will be routed through the MSOR and must be received by the MSOS Operations Officer NLT 30 days prior to the course convene date. **If a waiver is required the Command Screening Checklist will be forwarded with the waiver request.**
