MSOT Specific Shotguns and Mechanical Tools	Optional

Notes:

1. During this course, the student will be performing duties that he has not performed before and using equipment that he may not have used previously. The FSBE and ICAK should be brought complete to the course so the student has the gear available to reconfigure and make adjustments as needed.
2. Gear listed above will be used through the duration of the MMBC2 course.
3. Units are responsible for providing letters of transmittal and transportation for NVGs, radios and weapons.
4. Students should arrive with vest setup to facilitate carry of mechanical tools (sledge, halligan) and shotgun.
5. Students will have the option to use PVS 14 provided by MSOS. If a student prefers PVS 15's they will need to bring them along with a letter of transmittal.
6. Rifles, Eotechs, gun lights, MBITRS and PVS 14 will be provided by MSOS for the students.
