

TRAINING SYSTEMS OFFICER, OPERATIONS (S-3)
GS-0301-12

I. INTRODUCTION

This position is the Training Systems Officer, located in the Marine Corps Augmentation and Training Support Unit (MCATSU), Marine Corps Special Operations Command, MARSOC. MCATSU serves as the Marine Corps' Service-level support to Joint and External billets, which has responsibility for determining Marine Corps-wide training policy and programs in support of operational forces' warfighting requirements, and coordinating the development and implementation of training programs and courses of instruction designed to satisfy training requirements.

The Training Systems Officer serves as the MCATSU lead for all matters pertaining to individual and collective training standards and managing facilities and resources MCATSU to meet those standards. As the command continues to mature it is critically important that MCATSU Marines are trained to standard in individual and collective tasks. The Training Systems Officer will provide a single point of contact and ensure continuity within the command thereby ensuring that training standards are established, Marines are trained to those standards, and MCATSU's resources are properly managed to facilitate the best training available.

SPECIAL REQUIREMENTS

1. The incumbent must have the ability to obtain and maintain Final Top Secret/Special Compartmented Information (TS/SCI) security clearance. The T/S clearance also requires the incumbent to pass a drug screening urinalysis.
2. The incumbent may be required to work other than normal duty hours, which may include evenings, weekends, and/or holidays. Periodic travel is required. Incumbent may be required to deploy in a temporary additional duty capacity to an overseas area incident to a crisis or wartime.
3. The incumbent must be able to obtain and maintain a Government no-fee passport for international travel.
