Identity Management

MARFORSOC is also one of the most targeted units in the USMC. Our accomplishments on the battlefields have made us a number of enemies, and that's not even including the run-of-the-mill scammers and thieves that traditionally like to target the Military. Fortunately for you, the Identity Management (IdM) program exists here at MARFORSOC to help you stay hidden in today digital society, and become a harder target to go after in both the digital and physical domains.

What is Identity Management (IdM), and what can it do for me?

- IdM is the practice of **curating, sanitizing, and mitigating information** about you that is publically and readily available.
- We can help **respond to incidents of hacked accounts, stolen identities, and threatening messages.**
- Have questions about anything? We **provide training and education** opportunities to help show best practices and recommended tools.
- Curious about what your **“Digital Footprint”** looks like? We offer **“Identity Assessments”** during which trained IdM folks research any relevant personal info that may be available about you on the open internet, and then incorporate that into a finished product along with a tailored mitigation strategy.

Here at MARFORSOC, we also have a few rules and recommendations in regards to IdM to help keep you and your fellow Raiders safe.

- First and foremost: **You are not allowed to publically post on social media the fact that you work at MARFORSOC.** This includes job sites like LinkedIn.
- The key term here is **“Publically”** posting such information; as long as your affiliation with MARFORSOC is only visible to friends or people that you know, its okay.
- **Your family members are also held to this same standard;** even though they don't work at MARFORSOC, you are also responsible and held accountable for educating your loved ones on what they can or can't post about you.

The IdM program helps service members, civilians, contractors, and family members. To learn more information about what you can do to protect you and your family's identity, as well as obtain guides on how to secure your information online:

Trusted Traveler program

To access the installation on a weekend or holiday, DoD ID card holders are advised to use the Trusted Traveler program, where any DoD ID card holder can escort a guest using their vehicle or with the guest traveling in immediate succession. Using Trusted Traveler requires the DoD ID card holder to remain with their guest at all times while on the installation.

For more information and updates on the Trusted Traveler Program for Camp Lejeune please visit: <https://www.lejeune.marines.mil/Visitors/Trusted-Traveler-Program/>

Visitor Center

Authorized DoD personnel must now request installation access for their visitors either through email or at the installation's Visitor Center.

MCB Camp Lejeune Visitor Center

Bldg. TT-13, adjacent the Wilson Gate on Wilson Blvd.

Hours: Monday – Friday 5:00 am to 9:00pm

MCAS New River Visitor Center

Bldg. AS-187, adjacent the Main Gate on Curtis Rd.

Hours: Monday – Friday 7:00am – 3:00pm

When the Visitor Centers are closed, individuals will not have to go to the Holcomb Boulevard Main Gate at Camp Lejeune to obtain their paperwork. MCAS New River sentries will process and issue the visitor pass on site after running a background check. Expect delays.

Base Access Pass Registration Form can be found on the following website:

<https://www.lejeune.marines.mil/Base-Access/Sponsored-Visitor-Form/>

Completed base access pass registration form can be emailed to the Wilson Gate Visitors Center at mcieast.mcb-mcasnr.dbids@usmc.mil.

All visitor drivers MUST have their state drivers license, valid vehicle registration and proof of insurance readily available. Rental Agreements will be required for operation of rented vehicles.

Per MARADMIN 595/18 and DoD Manual 5200.08 V3, driver's licenses and identification cards marked "not valid for federal purposes," "federal limits may apply," or any other similar language may not be accepted by DoD for the purpose of unescorted access (i.e. to obtain a Visitor Pass or DBIDS Credential).

School Information

Dear MARSOC Family,

We would like to offer our services to support the upcoming school transition for your military children. We are standing by to provide individualized support specific to the needs of your children and family. Please feel free to begin communication early in order to provide the optimal time for critical school choice options. - Your School Liaison Team

Frequently Asked Questions - School Transitions to Camp Lejeune-New River

<p>What are our options for K-12 education in your area?</p>	<p>Dept of Defense Schools aboard the base (seven schools) —must live on base or be on the waitlist to attend. High quality schools. Scores are not reflected on the reverse because they do not participate in state testing. All schools are above the national average.</p> <p>Public Schools- Onslow and Pender Counties will be in closest proximity to MARSOC</p> <p>Magnet Schools- Part of the public school system, Onslow County has two year-round elementary and one middle school in the magnet program. Students may attend by lottery or by living in the protector corridor. The deadline for application will be Feb. 2021.</p> <p>Homeschool- NC is a homeschool friendly state with few regulations. Public schools do not provide support for homeschool students, but DoDEA schools do as long as you meet their eligibility criteria (living on base).</p> <p>Private School- There are several private schools in the area including religious and Montessori schools. Two are nationally accredited. The state of NC offers and Opportunity Scholarship to assist with private school tuition. The application period opens January 31, 2021. It is an income based scholarship for up to \$4200 a year.</p> <p>Charter School – There is only one charter school in the area. It currently has an F rating on the statewide report cards. They specialize in students who are not successful in traditional school settings.</p> <p>Additional High School options - Virtual HS, Early College, and Regional Skills Center are all options. Contact the school liaison for details. Deadlines are as early as Dec. 2020 to apply for the fall of 2021.</p>
<p>Are there any special programs?</p>	<p>Most Onslow County Elementary Schools are themed schools, so if your child has an interest in leadership, STEM, or the Arts, we can assist you in locating those schools.</p> <p>For Onslow and Base High School students there is a Regional Skills Center that offers courses in automotive, construction, culinary, medical, cyber-security, and video game design.</p> <p>There are five dual language Spanish immersion schools in the county. Students would need to start in Kinder or possibly 1st grade or transfer from another dual language program.</p> <p>The Base high school and one in Onslow County offer JROTC. The Base USMC-JROTC is award winning and features an indoor shooting range.</p>
<p>What about PreK?</p>	<p>NC does not offer universal PreK. They do have NCPreK that is normally income based; however, all military families regardless of income qualify to apply. There are limited spaces, so families might be on a waiting list. Applications are available in late spring for the fall classes. Students with developmental delays may be served in the Onslow County Schools under Head Start or some other state or federal program.</p> <p>The Base schools are open to base residents and offer PreK to all four year olds and some younger students with developmental delays.</p>

* Magnet School

** Year-Round Magnet School

Magnet applications are accepted beginning mid-Feb with the lottery held the first week of March.

Students may apply without a local address, but must have proof of residency by the first day of school.

Notes:

- Scores are determined by different criteria for elementary, middle, and high, so comparisons cannot be made among levels.
- NC's grade formula counts achievement at 80% and growth at 20% of the overall grade.
- Across the state there is a strong correlation among poverty rate and school report card score.

Schools did not do standardized testing in the spring of 2020 due to COVID 19. These are the most current scores. For additional information Click on the link, the county, and then the school.

Educational and Developmental Intervention Services (EDIS)

EDIS is an early intervention program that provides information and support to families who have questions or concerns about their child's development. The goal of EDIS is to work in partnership with families to encourage their infant's or toddler's continued success in learning.

EDIS provides developmental evaluation and early intervention services to children who:

- are from birth to 36 months of age
- have suspected developmental delays or medical conditions that may impact development
- would be eligible to attend Camp Lejeune Dependents Schools if they were older
- reside in base housing in Midway Park, Tarawa Terrace, Camp Lejeune, or Marine Corps Air Station New River
- or have documentation from base Housing office stating they will be moving on base within 90 days.

Cost: EDIS services are provided at no cost to eligible children.

Referrals: Referrals can be made by anyone...concerned parents or legal custodians, medical providers, other agencies on behalf of parents.

Locations:

- **Naval Medical Center Camp Lejeune:**
910-450-4127
